

 Welcome to  Kinsale  School

 At  Kinsale  we  help  you to  learn  new things,  take  part  in  different

 activities,  and  have  fun.

 We  have  lots of  different  rooms  and  areas  where  you can  learn  new  skills,

 including a  Food Technology  room, an  Art  room  and a  Horticulture  area.

 Each  class  has  a class  teacher  and  teaching assistants to  help  you  with

 your  work.

 We  do  lots of  off-site  activities,  including  swimming,  shopping  and

 horse riding.

 We  hope  you  will  be happy  at  Kinsale
